

Multi Trailer Plug Bracket - 4 Plug to suit Ford Ranger Next-Gen

Towing a large trailer requires multiple plugs for things like charging your caravan batteries while driving, running trailer lights, connecting the caravan ABS to the vehicle or finding somewhere convenient to attach your break away cable.

Designed to mount to existing mounting locations on the vehicle, the Multi Trailer Plug Bracket allows plugs to be mounted on the top surface for ultimate protection and quick and easy installation with no drilling or modification required.

Features:

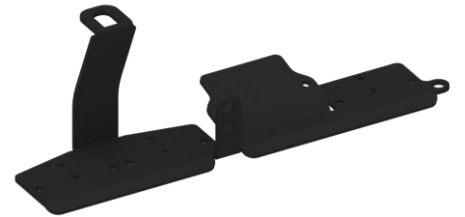

- Laser cut from 3 mm 304 grade stainless steel
- Powder coated for corrosion resistance
- Suits OEM factory rear bumper bar
- Retains OEM trailer plug mounting location
- Suits 7 or 12 pin trailer plug, 2 x Anderson plugs, 5 pin camera socket or 4 pin safety Dave Style camera plug with use of the TLR Products supplied adapter plate, 2 x airbag valves and a breakaway clip location

Includes:

- 1 x TLR Products Multi Trailer Plug Bracket – 4 plug – to suit Ford Ranger Next-Gen
- Fitting kit including all hardware and fasteners required for fitment

Note:

- Weight: .700 kg
- Dimensions: 440 x 260 x 100 mm
- Warranty: 3 years
- Fitting Time: approx. 30 mins
- Does not suit Ranger Raptor series
- Plugs and accessories sold separately

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.
