Air Compressor Bracket
to suit a Suzuki Jimny JB74W

This Air Compressor Bracket is designed to suit fitment of an ARB Single Air Compressor and locates in the rear passenger side corner of the engine bay of a Suzuki Jimny JB74W Series. This compressor mounting bracket also includes a mounting hole location to suit a standard style carling rocker switch to help result in a neat and simple fitment.

This bracket has been developed using the latest 3D modelling to create a simple yet intricate design which utilises existing mounting holes and requires no drilling or modification for installation.

Features:
- Laser cut from zinc coated 2 mm steel.
- Powder coated in a black textured finish for rust protection.
- Use of pre-existing holes. No drilling required.

Includes:
- TLR Products Air Compressor Bracket
- Fitting kit including all hardware and fasteners required for fitment

Note:
- Weight: .9 kg
- Dimensions: 250 × 230 × 60 mm
- Warranty: 3 years
- Fitting time: approx. 60 mins
- Bracket set only. Compressor, fittings and accessories sold separately

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.
