

Multi Trailer 3 Plug Bracket to suit Toyota Landcruiser 300 Series - LHS

The need for additional plugs when towing is increasing with some caravans and large trailers now requiring plugs mounted on the vehicle to power not only the trailer lights but also 12v battery systems, ABS brakes etc.

This TLR Products Multi Trailer Plug Bracket is designed to mount to existing mounting bolts located in the OEM trailer plug location on the **left hand side** and is shaped to the bumper bar of the Toyota Landcruiser 300 series to create a super neat and secure mounting location for the electrical plugs and connections, we have a small cutout designed into the bracket which allows access to the towbar cover panel clip, this ensure you are still able to refit and remove this cover panel with the TLR Products bracket and plugs mounted in place

This bracket is a 3-plug bracket which includes a mounting location for:

- 1 x 7 or 12 pin trailer plug.
- 2 x Additional plugs or connections (Anderson plug, Camera plug, Air Compressor Coupling (Coupling mounting bracket sold separately)
- Break away clip location.

There is a TLR Products protection guard available for this mounting bracket.

Features:

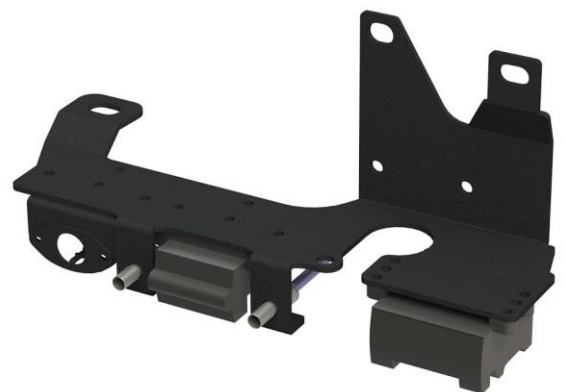

- Laser cut from 3 mm stainless steel.
- Powder coated in a black textured finish for added corrosion resistance.
- Easy fitment mounts to existing mounting bolts.

Includes:

- 1 x TLR Products Multi Trailer Plug Bracket
- Fitting kit including all hardware and fasteners required for fitment.

Note:

- Weight: 0.505 kg
- Dimensions: 300 x 100 x 100 mm
- Warranty: 3 years
- Fitting time: 30 mins
- Plugs and accessories are sold separately.

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.

Protection Guard

to suit Toyota Landcruiser 300 series - LHS

This TLR Products Protection Guard requires installation of the TLR Products Toyota Landcruiser 300 series 3 plug Multi Trailer Plug Bracket (TLR712501).

The Protection Guard is designed to fit onto the main mounting bracket and wraps around the bottom of the plugs and accessories to protect these from damage caused by rocks and debris, we see this to be an important feature if you are planning any gravel roads or offroad trails.

Features:

- Laser cut from 1.5 mm stainless steel.
- Powder coated in a black textured finish for added corrosion resistance.

Includes:

- 1 x TLR Products Protect Guard.
- Fitting kit including all hardware and fasteners required for fitment.

Note:

- Weight: .4 kg
- Dimensions: 300 × 100 × 85 mm
- Warranty: 3 years
- Fitting time: 15 mins
- TLR712501 sold separately

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.
