Solar Panel Brackets
to suit Rhino-Rack Vortex/Heavy Duty rack

The TLR Products Solar Panel Mount Brackets is an essential accessory for anyone who wants to harness the power of the sun and enjoy the benefits of a roof rack. Designed to securely hold the solar panels below the surface of the cross bars, allowing the roof racks to be used while the solar panels remain in place.

The brackets are designed to withstand the elements and provide a stable mounting surface for the solar panels while being both lightweight and durable.

Features:
- Manufactured from 1.5 mm Stainless Steel
- Powder coated in a texture black finish
- Suits solar panels up to 35 mm thick
- Compatible with Rhino Rack Vortex & Heavy Duty Bars
