

Molle Panels – Middle Windows to suit a Toyota Landcruiser 75-78 Series Troopcarrier.

Our window Molle Panels help utilise the space of your side windows and allow the ability to strap your recovery gear, gloves, hoses, ropes, torch, or whatever gear you need to keep handy and accessible. There are additional holes located along the lower section of the panels for fitment of Quick Fists to help fix your heavier items in place.

Features:

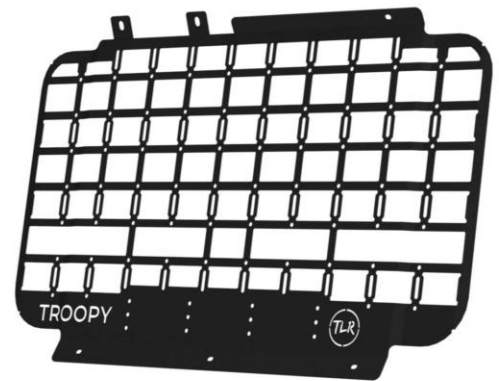

- Laser cut from zinc coated 1.5 mm steel
- Powder coated in a black textured
- Allows access to sliding windows
- Custom grid pattern to reduce weight and allow the fitment of Molle pouches

Includes:

- One pair of side Window Molle Panels - passenger and drivers' side Middle windows
- Fitting kit including all hardware and fasteners required for fitment

Note:

- Recommended weight limit: 5 kg
- Weight: 5 kg
- Dimensions: 870 x 550 x 240 mm
- Warranty: 3 years
- Fitting time: 1 hrs
