

UHF Bracket to suit Toyota Landcruiser 70 Series Range

This TLR Products Bracket provides the opportunity for mounting various UHF modules in the un-used cavity above the glove-box area in the Toyota Landcruiser 70 series range.

The design and location uses existing mounting points and requires no drilling or modification for installation.

Features:

- Laser cut from 1.5 mm Zinc coated steel
- Powder coated in a black textured finish for added protection and aesthetics
- Easy fitment with no drilling or modification required.
- Utilises existing OEM mounting bolts.

Includes:

- 1 x TLR Products Bracket
- Fitting kit including all hardware and fasteners required for fitment.

Note:

- Weight: 0.2kg
- Dimensions: 190 x 140 x 20 mm
- Warranty: 3 years
- Fitting time: 20 mins
- Mounting bracket only, UHF's sold separately.

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.
