Multi Trailer 3 Plug Bracket - LHS to suit GWM Tank 300

The need for additional plugs when towing is increasing with some caravans and large trailers now requiring plugs mounted on the vehicle to power not only the trailer lights but also 12v battery systems, ABS brakes etc.

This TLR Products Multi Trailer Plug Bracket is designed to mount to existing mounting bolts located in the OEM trailer plug location on the **left hand side** and is shaped to the bumper bar of the GWM Tank 300 to create a super neat and secure mounting location for the electrical plugs and connections.

This bracket is a 3-plug bracket which includes a mounting location for:
- 1 x 7 or 12 pin trailer plug.
- 2 x Additional plugs or connections (Anderson plug, Camera plug, Air Compressor Coupling (Coupling mounting bracket sold separately)
- Break away clip location.

There is TLR Products Protection Guard (TLR715103) available which is designed to protect all plugs and connections from damage caused by rocks and debris.

Features:
- Laser cut from 3 mm stainless steel.
- Powder coated in a black textured finish for added corrosion resistance.
- Easy fitment mounts to existing mounting bolts.

Includes:

- 1 x TLR Products Multi Trailer Plug Bracket
- Fitting kit, including hardware and fasteners required for fitment of accessories to bracket.

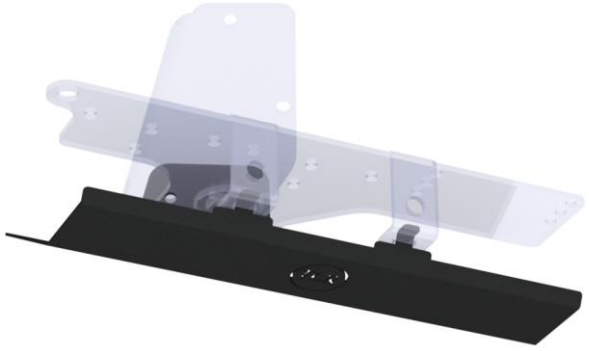
Note:
- Weight: 0.505 kg
- Dimensions: 250 × 150 × 150 mm
- Warranty: 3 years
- Fitting time: 20 mins
- Plugs and accessories are sold separately.
- TLR Products ARB Air Coupling Outlet Bracket sold separately.

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.

Protection Guard – 3 Plug to suit GWM Tank 300

This TLR Products Protection Guard requires installation of the GWM Tank 300 Multi Trailer Plug Bracket (TLR715102).

The Protection Guard is designed to mount onto the main mounting bracket and wraps around the bottom of the plugs and accessories to protect these from damage caused by rocks and debris, we see this to be an important feature if you are planning any gravel roads or offroad trails.



Features:
- Laser cut from 1.5 mm stainless steel.
- Powder coated in a black textured finish for added corrosion resistance.

Includes:
- 1 x TLR Products Protection Guard.
- Fitting kit including all hardware and fasteners required for fitment.

Note:
- Weight: .4 kg
- Dimensions: 300 × 150 × 85 mm
- Warranty: 3 years
- Fitting time: 15 mins
