

## Aerial Bracket Accessory M10 Adapter Washer – Set of 2

TLR Products have developed this small yet effective solution for mounting small driving/ditch lights to antenna mounting brackets.

This set of 2 washers help to provide a small mount when bolting a product using M10 mounting hardware to 14 mm mounting hole commonly used in antenna mounting brackets.

### Features:

- 3D Printed from high quality ASA UV stable plastic with a textured surface for aesthetics.
- Adapts any M14 (14 mm) hole to M10 (10 mm).
- Compatible with a bracket thickness of 3mm or greater.

### Includes:

- 1 x TLR Products Adapter Washers (set of 2).

### Note:

- Weight: .01 kg
- Dimensions: 40 × 40 × 5 mm
- Warranty: 1 years
- Fitting time: 5 min

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.
