

Quadlock®/RAM Mount Base to suit Mitsubishi Triton MV Series – Driver Side

This TLR Products Quadlock®/Ram® Mounting Base is designed to mount to the driver's side grab handle mounting point on the Mitsubishi Triton MV Series. This design makes use of existing hardware and is shaped to provide a convenient and seamless fit.

The design includes 4 x provisions which are to suit the standard AMPS hole spacing pattern of 38 x 30 mm, this ensures options from both Quadlock® and RAM® Mounts are compatible.

For a complete Quadlock solution, we recommend the [TLR744608](#) Bundle which includes all necessary parts.

Features:

- Manufactured from durable 3.00 mm Zinc Coated Steel and powder coated in a textured black coating for added aesthetics.
- Includes the standard AMPS mounting pattern to suit Both Quadlock® and RAM® mounts.

Includes:

- 1 x TLR Products Mounting Bracket.
- Fitting kit including all hardware and fasteners required for fitment.

Note:

- Weight: .04 kg
- Dimensions: 120 x 70 x 40 mm
- Warranty: 3 years
- Fitting time: 10 min
- All Quadlock®/RAM® components sold separately.

TLR Products is Australian owned, with all manufactured products designed and made in Newcastle, NSW.
