

Auxiliary Battery Tray to suit Toyota Landcruiser 250 Series

This Auxiliary Battery Tray is designed to fit inside the **Rear Left Internal Corner** of the Toyota Prado 250 Series.

The kit includes multiple mounting brackets to accommodate most 100Ah batteries (see compatible models below), a dedicated BCDC charger bracket for either the REDARC Classic or Alpha Charger Range, and a fuse mounting bracket to securely house two MIDI Fuses within the bottle jack access hatch for easy access.

The design utilises all factory mounting points including 4 x M8 structural bolts through the floor member to provide a secure mount, this means no drilling of the body work required for installation.

Confirmed batteries include:

- REDARC Icon 100ah Lithium – LBATN12100
- REDARC 100ah Deep Cycle Lithium - LBAT12100
- Invicta Xero 100ah Lithium - SNLX12V100BT
- Invicta Black 100ah Lithium - SNLB12V100BT
- Revolution HD 100ah Lithium - RPL12-100OT
- Century 105ah AGM Deep Cycle - C12-105XDA (148140)
- Full River 105ah AGM Deep Cycle - DC105-12

Features:

- Fits in the open space in rear quarter of the vehicle.
- Laser cut from zinc-coated 2.00mm steel.
- Powder coated in a black textured finish for rust protection.
- Use of pre-existing holes. No drilling of the body work required
- Use of 2 Battery tie-down straps to secure battery.

Includes:

- 1 x Battery Mounting Tray
- 1 x BCDC Charger Mount
- 1 x Fuse Mounting bracket
- Fitting kit including all hardware and fasteners required for fitment.

Note:

- Weight: 5 kgs
- Shipping Dimensions: 430 x 330 x 230mm
- Internal Battery tray Dimensions: 316mm (L) x 173mm (W) x 250mm (H)
- Warranty: 3 years
- Fitting time approx. 60 mins
