FITTING KIT

QUANTITY	PART
1	TLR813801 – Electrical Accessory Bracket

NOTE:

This TLR Products Bracket provides mounting hole locations for various configurations of midi fuse holders, circuit breakers, buzz bars and relays.

FITTING INSTRUCTIONS

1. Decide on which components and orientation you will use and assemble components onto TLR Products Bracket.
NOTE: Double check clearances before connecting power and tightening fixings.
2. Remove OEM bolts holding the OEM battery strap down. See Photo 1.
3. Place TLR Products Bracket over the top of the OEM battery, align with the mounting holes and install previously removed bolts to secure back in place.
